Blue Moon Bride

Original Text by Renee Roszel

"It was pretty hard
turning a mediocre
senior financial
staffer
like Hannah into
serious arm candy."

"Real
arm
candy."

"What do you
think?
You wouldn't mind
walking with that
cute now,
would you?"

Mio guffawed
as he
insulted me in
front of
his colleagues—

Blue Moon Bride

I can't work with
you now!
again, Mid!

A small inn in the countryside North East Oklahoma, along the coast of the Grand Lake

I love this Blue Moon Inn

Good morning, Friends. I'm just making some pancakes here

Good morning, Jon.

Joanna, the owner is, cooking is delicious and her warm hospitality soothes my heart

It's not business but...

Mona Natalia. An artist who works at the Inn

Good morning, Friends.

Good morning, Mona.

and other than me there's only...

Sadly business isn't going great

Just doing it

Hi Jo

Oh, just get out

Hi Jo

Good

Oh...! How long is she going to be here?

Good!

Does that sound good?

How about this?

Every time, the first half of the time you can have the bathroom, and the latter half of the time the bathroom is mine.

Please come in

Then we're agreed.

That sounds good.

Thump

Min

I guess that's it then.

The rest is done with.

Roth!

Do you have a minute?

Knock Knock

He made fun of me. I'm trying to ignore him but I can't take my eyes off him.

Oh.

Just wait you'll probably get hungry later on.

Just's like a machine.

You don't trust.

We haven't talked about how to share the bathroom yet.

What... What's wrong?

Enjoy
the
time
of
my

It's
Clock

Well, now
we're in an
interesting

without
getting
further
involved—

We
should
both
enjoy
our stay

Yes, this
is how it
should
be

Edison are not for friends.
As much as you
don't want to be near me, Edison's
naturally want to be
close to you, Edison.

I don't know
why you have
a problem
with me—

Just your
attitude is
really
starting to
annoy me.

Really

It's kind of
boring.

Think of me—there's
nothing to do
with each other.

Deacon
sure is
attractive

Light brown
hair and eyes.
A friendly
southern
accent.

Eye,
Hannah.
I'll see
you again
soon.

Maybe next
time.
I want to see
you for
a drive.

All I have now
are the dates
for the photo.

Secretly

My dog,
Manny,
Mia and

I don't see
what,
Joan.

They are
both
promises
to me.

The legend.
That is.

We'll do
something
about
the date.

My
brother.

Joan and
Deacon are
both
romantics.
Unlike you.

I feel sorry
for people
who only
care about
work.
They really lack
emotion.

There should
be believe it?

I have to say
there's some-
thing wrong with
the people here.
Do they really
believe in all
that glibness?

At least
now
the film
room
remains
in tact.

Well, Deacon, could you
possibly take a look at the
checkboxes under 'look'? It
doesn't open
very smoothly.

But I have to say I am
disappointed
that I won't
"the end" for you.

What...?

You guys are close.

The smiling man's hand was... I was going to follow it to Deamon at work.

What are you doing?

I'm a disgrace.

Am I wrong?

Yeah!

??

He doesn't have an apartment, probably stays at the Bush family.

But he's nothing compared to Deamon.

No...I was only talking to Jean. What do you want?

Did...did he hurt me?

This is the first time I've seen you do something for someone else.

How nice of you.

Michelle Collins

I thought I should take some up to Mom.

I just came for some coffee.

Usually when she goes out she's back within an hour but it's almost been 2 hours now...

Mummy Miss.

Mummy Miss. How's your lesson yeh.

This is the first time she's done something like this and I don't know what to do!

She's not young anymore. Her legs are weak and she can hardly see.

I looked everywhere but I can't find her...

What if she was hit by a car?

Just...

She could be hurt and unable to move.

But one day...

To...
To...

Robin and my relationship grew worse and worse—

The strange holiday continued

Are you sick? Just what's wrong?

It's Mummy Miss.

How
heartless...!

Rooms,
hallway
doors...

Just
searching

I felt
like a
child
again

I knew where
pets and
children were
likely to get
lost.

That
forest—

What should I do ?

I
finally
found
her.

Under a
cotton

I just
couldn't
let go.

"Think
about
Joan's
feelings"

Hamada's
worried
eyes
reminded
me

My
childhood
memories.

I couldn't let
go, since I

the blue
moon's
magic,
right—?

I always
wanted
to come
back.

This place is
very special
to me.

I had to
leave
when my
father
passed away.

Isn't that better than a news
manager taking over and
looking her out?

If you had
to leave
because of
the debt,
don't you
think I'm
the most
suitable
person
to buy
the house?

I was going
to give
her out of
the money
in the new
mortgage.

The Blue
Moose has
its words
keeping
on it
it...

You know
how important
this place is
to you?

I don't
want
to leave it.

It's not
easy!

And why
you want
Money
Mama.

It's not
easy to be
my home.

To me,
it's...

I want to live
here when I
was
a child.

What?

This paper.

It's just
insane!
It says all
Blair Mose
has to you!

Just won't
tell this
place.

You need
to have
more more
incredible
emotions.

Never
to you!

That's
my
side.

The slightly
wacky window
frames. The
winger
classroom.

Yes, the
cultural-
legged
handbook.

A falling
and
Zimbabwe?

Shaved
paper.

Shaved
wall-
paper.

There are
things out there
that if you
let go more, you will
never see again.
You should know...

If you need to live
here, then
you should
know.

Real
man.

You shouldn't
let your
feelings get
on the way of
insanity.

That word
sounds
hollow to
me right
now

Living in a new
condominium
won't be bad deal
for Joan

I can
develop
Jermi
Oh here

I can make lots of
money through
people who want to
live in a peaceful
area with a new
after treatment

Logically
speaking

It's a
good
deal for
both of
us

I'm so
stupid

My
impulsive
behavior
keeps
haunting me

believe
the Blue
Moon is
a magic
and you

Well—

How
could I
have
been
stupid
enough to

Don't
you
deserve
to be in
debt?

All I want to do is think about you.

We can't understand destiny sometimes, Hannah.

But you and Ruth are destined by the blue moon.

I don't believe in destiny.

...how to make this last successful, Jane.

We have to emphasize the fact that this place is away from busy cities and vibrant scenes.

This isn't selling point in its warm and rustic atmosphere.

And there about the rest—

My account for this year.

Hannah, are you serious?

You're going to write this place.

Rustle Scuffle

It's not easy.

I'm serious. You have to be prepared, too.

We went back to where he belongs.

Ruth?

If I don't have to be in charge, then I'll do anything but.

Please don't talk about him anymore.

Are you sure about... you and Ruth?

Oh, thank
you, God!

All the
memories
of my first
husband
and me...

The
place
wasn't
for either
from me.

It's because
of your hard
work.

Thank you!
This is all
thanks to you!

Your love for this land
moved my heart.

Helping
people who
aren't best
acquainted
with business
and is break-
through!

I just like
the sort
of work.

But that
I've nothing
to do with it
toward the end

And my
faithful
toward
Karl.

One
year
later

I just
want
to forget

about
him.

2 1/2 days

1 1/2 days

Oh,
Thank

Right, I've figured
out how to get
out of
all the debt.

That
was

I still
can't
forget

My days

Inn

How
these

I left the

to my

busy but

No,

maybe I
just want
it to be
forgotten

Especially

Long time
no see.
Thanks for
calling,
Honey

Why,
Jared?

Er...
Yes, dear
Honey.

What's
the
problem,
Jared?

I don't really understand myself.

Please ask Mr. Johnson himself.

My, my, you're alone, Hannah.

But...

He wasn't looking up that hand...

...even though there may be something there?

What?

The Blue Moon Inn!

The room next to yours. He's there...

He's...

...the room he stayed in before.

Hannah!

In Bath...

Here...

Bathhouse?

The Blue Moon Inn's running a bath...?

Just, what's going on?

Oh, Hannah! Hannah, thank you for running.

I remember

They're

Here,

Please,
Shizuko,

he has to say

In that
room...?

Really
no...

Come now,
Shizuko.

But...

The
sound
of
footsteps
up the
stairs

What are
you
laughing
at?

I was
at home.

... that
"I can't
forget
Hannah."

I said
Joan...

What?

Oh, my
Joan's
sorry

I just wanted
to see
you again.
So I came
back home—

understand
just how it
is...

No,
Joan's.

You don't
drop it -

Did Joan
say that?

As you admit to coming
back home to finish taking
everything away
from Joan?

My
Joan's

I had a
phone
call

She called me at my office
on September—
She said that you brought
the money right to the
bank and she was in big
trouble—

From
Joan?

They made
me nervous.

Those
words
you said.

There are
things out
there that
if you let
go with,
you will
never see
again.

Those
words.

I'm saying
that the
reason
I came
here today

was to
see you
again.

You
couldn't.

You,
looking
so fresh.

I was scared to
lose you
forever.

I've had the money
right in this hand
since my father passed
away. I didn't buy
it off of you.

But the
money
wasn't
mine.

I can't
stop
thinking
about
you—

A year ago,
after I
returned to
Oklahoma City,
I reached.

I already
told you,
I came to
see you.

You.

You really
didn't
plan to...?

The real
reason you
came here...

I could have dug
this place
up whenever I wanted...
But I never did.

I love you,
Hamach.

I want
have been
in love
with you
since the
day...
we met
under the
Blue
Moon.

I have no
dreams for
money right
now.

Because you
are very dear
to me.

I don't
want to
lose you.

I thought you
detested me...

Both...

But...

Leave me,
Haruka.

I realized I don't want to
live with a cruel, cold
heart with no human
emotion.

I thought
I shouldn't
love you...

I was
drawn to
you...
But I
said myself
not to
fall
for you.

Don't be
stupid!
Haruka.

E...

I love
you

Please

Say it
again.

I...

I love you,
Hinomaki.

Hinomaki.

I love you,
Hinomaki.

Make me
believe it.
